**REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR 1.323**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In accordance with the provisions of 37 CFR 1.323, it is respectfully requested that a Certificate of Correction issue to correct the following:

**IN THE CLAIMS**

In column 42, claim 3, line 24, “included in. the contract” should read --included in the contract--.

## REMARKS

The requested correction identified above is due to an error of a typographical nature that was made in the amendment filed on December 28, 2009.

In particular, in claim 3 as shown in the amendment filed on December 28, 2009, a period was inadvertently inserted after the term “in” within the phrase “included in the contract” (see line 4 of claim 3). It is noted that claim 3 in the amendment filed on December 28, 2009 is identified as being an “original” claim, and that claim 3 as originally filed did not include the above-noted period after the term “in”.

Patentees submit that the above-noted mistake clearly qualifies as a mistake of clerical or typographical nature, or of minor character, and thus is correctable via a certificate of correction. In this regard, it is submitted that it would be clear from the specification and claims how to correct the above-noted error because the period after the term “in” would be illogical in the context of the sentence.

It is further submitted that the above-noted mistake occurred in good faith, that the correction does not include new matter, and that the correction does not require re-examination of the claims.

In view of the foregoing, a Certificate of Correction is respectfully requested, and the \$100.00 fee required by 37 CFR 1.20(a) is enclosed. Form PTO-1050 accompanies this request.

If there are any questions to be resolved regarding this matter, it is kindly requested that undersigned attorney be contacted at the telephone number listed below.

Respectfully submitted,

Masaya YAMAMOTO et al.
